OFFICE MEMORANDUM

To : Mr. Howard P. Jones May 8, 1953

From : Chief, MAAG, Formosa

Subject: Concurrence of General Chow Chih-jou on Establishment of Electronics Countermeasures Unit Operation on Taiwan.

1. Reference your office memo of 7 May on this subject. I talked with General Chow Chih-jou this morning and re-explained this whole matter. He understands now what it is and he concurs. He stated, however, that he would like some Chinese personnel to work with the unit to learn how to operate this system and also they wanted to share the intelligence obtained. I told him that I personally favored approval of these two requests, but that the final decision would be up to CINCPAC. I told him that Admiral Hedding and Admiral Radford were coming ltr and we would take it up with them.

2. I believe this closes this matter for the moment.
